

Marcus Harding

Digital Creative

ABOUT ME

Digital Media undergraduate with a strong passion in web design and everything around this, looking to secure an internship to continue my learning. Currently holding industry relevant experience from working at TaxCalc alongside undertaking freelance client work.

EDUCATION

University Of Portsmouth

2016 to Present | Digital Media | 1st Class

University has helped me discover my passion for Web Design alongside other key strengths:

- Excellent time management / organisation
- Better understanding of creative Design
- Strength in working / thinking independently
- Strong Teamwork and interpersonal skills

Independent Study

2016 | Business Studies

Taking a year out before university I took the chance to learn about business which I had always wanted to do. Signing up to the national extension college I taught myself this A level in 8 months before moving to Portsmouth.

St Brendans Sixth Form

2015 | A Levels

- o Media Studies - A
- o Photography - B
- o ICT - C
- o Business Studies - C

PROFESSIONAL SKILLS

</> HTML5 | CSS3 | SASS </> JAVASCRIPT </> WEB DESIGN

</> ADOBE CC | SKETCH </> UI | UX | BOOTSTRAP </> WORDPRESS

RELEVANT EXPERIENCE

TaxCalc Creative Department

UI / UX | Design | Marketing

Present

I have been undertaking a short-term placement in the creative department. During this time I have gained valuable experience in User Interface and User Experience alongside Design / Development and product marketing.

Freelance Work

Developing Wordpress Websites

2017 - Present

I have developed a number of different websites for various clients using Wordpress, learning a lot about how this CMS works and gaining valuable experience working with clients.
